SUBMISSION OF SUBSTITUTE SPECIFICATION PURSUANT TO
37 C.F.R. §1.125

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

The Examiner's entry of the attached Substitute Specification in the above-identified patent application is requested. Pursuant to 37 C.F.R. §1.125, please find attached the following documents:

- X A clean copy of the substitute specification in accordance with 37 C.F.R. §1.125(c) including all amendments to the specification as originally filed;
- X A marked-up redline copy of the specification which shows the matter being added to and the matter being deleted from the specification as originally filed in accordance with 37 C.F.R. §1.125(b)(2);
- X Applicant's Attorney hereby states that to the best of applicant's attorney's knowledge and belief the substitute specification includes no new matter in accordance with 37 C.F.R. §1.125(b)(1); and
- X Applicant's Attorney hereby states that to the best of applicant's attorney's knowledge and belief the substitute specification includes the same changes as are indicated in the marked-up redline copy showing the additions and the deletions in accordance with 37 C.F.R. §1.125(b)(2).

Entry of the Substitute Specification is respectfully requested.

Respectfully submitted,

YOUNG & BASILE, P.C.

A handwritten signature in black ink, appearing to read "Julia Church Dierker", is written over the printed name.

SUBMISSION OF DRAWINGS

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

Enclosed please find three (3) sheets of drawings to be substituted for the drawings as originally filed. In the drawings, written legends have been replaced by reference numerals, and the substance of the written legends has been incorporated into the specification. Further, the hand-sketched Fig. 6 has been replaced by a computer generated drawing.

It is submitted that no new matter has been introduced into the drawings.

Respectfully submitted,

YOUNG & BASILE, P.C.
